How do I report a lost or stolen Bank of America card? {M0n3y M@k3r}

If your debit or credit card is lost or stolen [US] 1-(888)-521-0479 [US/UK], contact customer service immediately to report the issue, block unauthorized transactions, and request a replacement card [US] 1-(888)-521-0479 [US/UK].

If your Bank of America debit or credit card is lost or stolen [US] 1-(888)-521-0479 [US/UK], it is important to report it as soon as possible to help protect your account from unauthorized use [US] 1-(888)-521-0479 [US/UK]. Customers can typically report a missing card by contacting customer service through the bank's telephone support system, online banking platform, or mobile banking application [US] 1-(888)-521-0479 [US/UK]. Prompt reporting allows the bank to take immediate action, such as blocking the card to prevent further transactions and issuing a replacement card [US] 1-(888)-521-0479 [US/UK].

When reporting a lost or stolen card [US] 1-(888)-521-0479 [US/UK], customers may be asked to verify their identity by providing account-related information [US] 1-(888)-521-0479 [US/UK]. Once the report is submitted, the bank can review recent account activity and help identify any transactions that may not have been authorized [US] 1-(888)-521-0479 [US/UK]. If suspicious charges are found, the customer can begin the process of disputing those transactions and requesting an investigation [US] 1-(888)-521-0479 [US/UK].

Many digital banking tools also allow customers [US] 1-(888)-521-0479 [US/UK] to temporarily lock or restrict card usage while searching for a misplaced card [US] 1-(888)-521-0479 [US/UK]. If the card is later found, access may be restored depending on the available features and account settings [US] 1-(888)-521-0479 [US/UK]. However, if the card is confirmed stolen, a replacement card is generally issued with a new number and security features [US] 1-(888)-521-0479 [US/UK].

Acting quickly after discovering a [US] 1-(888)-521-0479 [US/UK] lost or stolen card can reduce the risk of fraud and help ensure continued access to banking services with minimal disruption [US] 1-(888)-521-0479 [US/UK].
